Mrs. Mossman is a member of our Estate Planning group. As a CPA, CVA and Certified Financial Planner, Laura assists our attorneys with a variety of special projects including business structure and succession planning, estate, gift, and income tax planning, and acts as a liaison between our attorneys and our clients' CPAs. She is also actively involved with our estate administration and fiduciary services department including ensuring proper reporting to trustees and third parties, consult with our attorney-trustees on a regular basis, and coordinate with our clients' CPAs to ensure proper tax compliance. Laura works closely with our clients' CPAs to help us bridge the gap from planning by the attorneys to implementation by the CPA.

Laura also provides valuation services to assist in estate and gift tax compliance and business succession planning. She supports our firm's litigators by reviewing financial statements, completing financial analysis and forensic accounting, and advises on work completed by independent expert CPAs. Laura has also testified as an expert witness in cases involving divorce.
